

Sticker Club!

Dear _____

Welcome to **Sticker Club!** Please send one pack of stickers to the person listed in the #1 spot. Then put my name and address on the #1 spot and place your name and address on the #2 spot below and send the letter out to 6 friends.

Within a few weeks you should receive 36 packets of stickers! It's a lot of fun and exciting to see where your stickers have come from. Plus, it's always nice to get mail!

If I included a blank letter, you can use that — or you can download a blank version of the letter from **StickerClub.org**. You'll need 6 copies of the letter with the #1 and #2 spots filled out. You can also make 6 additional blank copies — include one with each filled-out letter so your friends have a blank ready to photocopy (though they can always grab the letter from the website if needed). All you need is one pack of stickers, seven stamps, & seven envelopes.

Good luck and have fun. Thank you for joining Sticker Club!

Your friend,

P.S. to parents: This is a simple, voluntary project designed for fun. It's not part of a program, club, or promotion. Just enjoy the chance to send and (hopefully) receive happy mail!
